Preparing the garden for our summer veggies
Dear Parents,

Welcome to term 4 everyone!

I begin this week’s edition by acknowledging the amazing night we had at the Adjungbilly community bonfire at the beginning of the holidays. The occasion brought 120 people together who enjoyed some nibblies and a yarn by the bonfire followed by some scrumptious roast gravy rolls and sweets. A huge thank you to all people who attended, it was great to catch up with you all and we look forward to seeing you again soon. Your donations will assist with the upgrade of the cooking facilities in the community hall. Thank you to all community members who assisted on the day and in preparation for the event.

During the holidays our committed P&C made a trip to Bunnings, in Canberra, to cook up a storm to raise money to help support our school. The day was a huge success thanks to the commitment and dedication of all our Bongongo Public School families. Well done!

This Friday our school will be hosting the Cootamundra Principals Network meeting. We will be joined by the Director of Education for the Cootamundra district, Toni Macdonald, along with principals from 40 different schools in our district. It is a great opportunity for us to display our wonderful facilities and learning opportunities that we have here at Bongongo Public school.

As we are now moving into the warmer months of the year, all students are required to wear a Bongongo Public School hat at all times for outdoor activities. Students without hats will be restricted to playing in the shade of the COLA. All students are also required to bring a drink bottle with their name clearly labelled.

Term 4 is always a busy term, we need to ensure that we all continue to support our students in order for us to continue to achieve positive milestones.
Looking forward to the exciting term ahead!

Brad

10 Dec       Presentation Night

Student Probe - George Graham

What is your greatest memory so far of Bongongo Public School?
Working in the school garden.

If you could teach any subject at school, which would you teach?
Maths

Where would be your favourite spot for this year’s school photos?
The shearing shed.

What would be your favourite pet?
A fish.

Which would you choose, one million dollars or a school made of chocolate?
One million dollars.

What is the best thing about going to school in Adjungbilly?
There are lots of things to do.

Who is your idol and why?
Dad because he is a good farmer.

What do you want to be when you grow up?
A farmer.

Where is your favourite holiday destination?
Merrimbula.
The Fishing Day

On the holidays I went fishing with Dad, Aaron and Patsy at Burrinjuck. It took roughly an hour but when we got there we launched the boat. It was difficult because the water was shallow but when we did launch and were at the fishing spot we hooked up the worms and the spools through the rods. Five minutes later Aaron caught a yellow belly. Three hours later we came across a bay with a school of yellow belly. Patsy caught a fish but it snagged. After that Dad caught a yellow belly. After that we went home. It was a great day.

by Mack

P&C NEWS

Could all families please bring/send a plate of cakes or slice for morning tea for the Principals Conference being held at school this Friday.

Paint and Play

Term 4 dates for Paint and Play at Bongongo.

15 October
12 November
10 December

Paint and Play is a support playgroup with many craft and play activities. Please bring a hat, drink bottle and morning tea for your child.
