At the Roundhouse Railway Museum in Junee
Dear Parents,

Well I am not sure where the time has gone but we are now in week 4 and time is quickly getting away!

Last week was an unbelievably busy week for all staff, students and parents. With our Year 5 and 6 students making their way to Broken Bay for the small schools camp and our K-4 students enjoying a day out in Junee.

Ki, Tilly Benjamin, Taila, Corey and Sam enjoyed a week at Broken Bay Recreational Camp where they combined with Nangus, Gundagai South, Adelong and Wee Jasper. Activities included high ropes, rock climbing, outdoor cooking, raft building, flying fox and orienteering. All students displayed manners and respect and were a pleasure to take away. Keep an eye out for some images from their adventure in upcoming newsletters.

Mrs Keatinge and Mrs Lott took our K-4 students on a tour of Junee as they took in some of the history and adventure that the country town has to offer. Siana Lucas, Jim Herrington and our recent prac student Alex Thompson joined our crew as they ventured to the Liquorice factory to make some yummy chocolate freckles and play a game of ten pin. They then braved the spooky ghosts of Monte Cristo and listened to creepy tales of years gone by. It was then off to the swimming pool for a refreshing swim and lunch in the park. The day was completed with a trip to the local Roundhouse Train Museum. A huge thank you to Mrs Keatinge for her organisation and Mrs Lott for her support and to Alex, Jim and Siana for assisting on the day.

This week’s student of the week is Bella Lucas. Bella receives her award this week for demonstrating respect and trying hard across all her subjects. She was a role model on the school excursion to Junee as she helped the staff and junior students. Well done Bella!

Our super spellers from last week were Jack, Jetty and George. Congratulations!! We need to remember to
continue practising our words during homework to ensure we all maintain positive results.

Today we are celebrating Grandparents day by inviting all grandparents to join us for an afternoon of fun and check out our wonderful school. We also have tennis classes beginning on Thursday.

Enjoy the busy week everyone!
