Bongongo students and Miss Hyams with tomatoes from our garden.
Dear Parents,

Welcome to week 7 everyone!

Last week was once again a fun and exciting week filled with amazing results. It was wonderful to hear the fantastic results from the Jugiong writer’s day last Friday. Congratulations to Sam, Dakota, Jetty, Jacee and Jack on their book prizes for their ‘Poucher and Big Guy’ stories. Well done to all students for the way they conducted themselves and represented our community. On behalf of the school I would like to thank Mrs Keatinge for her amazing effort in conducting an engaging experience for our students.

Our Student of the Week for Week 7 is George Graham! George receives his award this week for his outstanding effort and application in class which has led to pleasing results, including 100% in his spelling test! Well done George!

During the week Bongongo Public School were fortunate enough to have our new Director Toni Macdonald come and say hi and experience what our great school has to offer. Toni absolutely loved our prize winning chooks and state of the art BMX track and acknowledged what an amazing place Bongongo Public School is. During the visit I was fortunate enough to extend my contract until the end of the year. This news comes with great excitement for me and I look forward to continuing the great work we have started together in taking the school forward.

The expression of interest forms for Year 6 moving into Year 7 in 2016 are with this newsletter. Could parents please fill out the forms and return them to school by Friday 13 March.

Jugiong Writers Day

Last Friday we went to Jugiong Public School for a Writers Day. When we got there we played a game of soccer. The teams were Bongongo vs Jugiong. There were art and story writing activites. We met Big Guy. One of the characters from the book “Poucher and Big Guy”. Jack, Jacee, Dakota and I won books for our stories. It was a really fun day.

Last week we harvested tomatoes and carrots. Then we weeded the garden and planted cabbage, broccoli, onions and more carrots so now the gardens are very neat.
