Are these days of the week in order?

Students display some of our Maths resources.
Dear Parents,

I can’t believe we are already halfway through the term! Time flies when you are having fun! Speaking of time, our current Maths topic is Time and we have been busy making our own analogue clocks to help us tell the time. Our little ones have been talking about the days of the week and what they like to do at different times of the day. It was no surprise that everyone’s favourite day was Monday because they know that they have a whole week of school ahead of them! Our older students have started to look at 24 hour time and studying timetables for travel. All our seniors seem to know when 3:10pm is and willing to point it out on most days!

This week our student of the week goes to Connor Humphries. Connor has been an absolute stand out in Mathematics as we tackle the concept of time. He has worked extremely hard to complete all his activities and demonstrated leadership qualities. Well done Connor!

Congratulations to our Super Spellers this week, Corey, Mack, Tilly, George, Jacee and Jack! Well done! A special mention to George this week who looks at me with worry every Monday as he know he is more than likely going to have to go up a spelling level and complete more spelling words. This is a result of his amazing spelling ability, sorry to say it George but this week you are again going up another level! Remember that anyone who gets 100% in their test 2 weeks in a row, go up 3 words and a spelling level.

We have a very busy period coming up with excursions, leadership opportunities and sport. It is important that we continue to work hard and do our best as we build a positive future.

Have a great week everyone!

Brad

LOST

One day Mack, Corey and I went for a walk in the forest. We brought our fishing rods and caught five big fish.

We stayed for the night!

The next morning we saw a bear and it was chasing us!!! I said “Hey remember those fish we caught.” Corey said “Yeah, what about them?” “Give them to me.” I screamed. I dropped the fish. The bear stopped and ate the fish. We raced home.

LOST

One night I heard a loud noise. We went outside and Connor said “What if it is a bear?” I thought yes let’s camp here for the night. We sat on a log and made a fire.

When I was asleep a crocodile bit me on the leg! I yelled “Help, help!”

Connor woke up and said “What’s wrong?” I yelled ‘A crocodile bit me on the leg, do you have a bandage?’ Taila had one and she put it on gently.

Bella went hunting for fish and Connor carried me up to the waterfall. Taila told me to put my foot in the waterfall and there was the crocodile floating dead on top of the water.

Who killed the croc?

LOST

One day I went to a castle. I got lost. I saw a dragon. I cut 2 legs off. I ran off on my horse.
