Year 6 students Ki Lucas, Corey Herrington and Sam Graham at the Grip Leadership Conference.
Dear Parents,

Last week I once again had the pleasure of taking our School leaders to the annual GRIP leadership conference in Wagga Wagga. Ki, Sam and Corey represented their school with pride and demonstrated respect and responsibility at all times. Well done! Thank you to Paul, Rachel, Jim, Bec and Siana for transporting the students. Without your dedication, our students would miss these amazing experiences.

This semester I will be looking to implement a new reporting format that will align our school with the Numeracy and Literacy Continuums currently being used to monitor the progress of your child. The new format breaks down Numeracy and Literacy into smaller parts and explains the strengths of your child as well as highlighting focus areas where we need to go to next in your child’s education. I will bring a copy of the new report to our P&C meeting and discuss the new changes. Reports will go home to parents after the P&C meeting to take home and review. Parent teacher interviews will commence in the last week of school. More information in regards to parent teacher interviews will be in upcoming newsletters.

Patterns and Algebra was our Maths topic of the week and it was great to see our students working hard on their understanding of new concepts including our seniors who had the daunting introduction to Algebra! Jetty, Dakota, George, Jacee and Jack informed us all about the patterns we see every day in our new Numeracy room and helped me to understand counting in 2’s and 5’s! This week we will learn all about 2D shapes. Is a sphere a 2D shape? Or a circle?

Our student of the week this week is Tilly Graham. Tilly worked really hard during all lessons with spelling and maths being a major highlight. In the playground, Tilly demonstrated respect and responsibility and is always on hand to assist her teachers. Well done, Tilly!

Our Super Spellers this week are Jack, Jetty, Jacee, Dakota, Tilly and Bella. Keep up the great work!
Have a great week everyone and I hope to see you in Gundagai on Wednesday for our Uralba Aged care visit and Gaol tour. If any parent cannot transport their children to Gundagai please contact me at school tomorrow (Tuesday).

**Weekend Recount**

On the weekend Tilly and George stayed down at our house on Friday and Saturday. On Saturday I played soccer against Temora and won 8 – 1. I almost scored 2 times but one I only just missed the ball and the second is spun back at the last second. On Sunday I did not do much. All I did was play with lego and watch some TV.

What is your greatest memory so far of Bongongo Public School?
I remember the camp oven night with Wee Jasper. All of the girls had to sleep in one swag next to Mrs Lott. It was a squishy night.

If you could teach any subject at school, which would you teach?
Art

Where would be your favourite spot for this year’s school photos?
Bongongo Cricket Ground.

What would be your favourite pet?
Horse

Which would you choose, one million dollars or a school made of chocolate?
One million dollars

What is the best thing about living in Adjungbilly?
All the people and friends.

Who is your idol and why?
Sascha because she is a good horse rider.

What do you want to be when you grow up?
A good horse rider and go to lots of rodeos.

Where is your favourite holiday destination?
Emu Plains Camp Ground.
