Bongongo students with Mason Crane at the Gundagai Gaol
Dear Parents,

I begin this week’s newsletter recognising the importance of our local community members. Last week our school had an amazing day in Gundagai, experiencing the local history and recognising important events of years gone by. This invaluable experience was made possible through the amazing efforts of our local community members Mason Crane (Gundagai Shire Council) and Ann Cole (Uralba) who took time out of their day to add to our students’ education. Another big thank you to all the wonderful parents who once again contributed to another special occasion.

Our student of the week this week is Mack Mason. This week Mack combined his knowledge of war history with his creative writing flair to produce an amazing piece of descriptive writing. It is great to see Mack utilise his knowledge of structure as he used paragraphs, full stops and capital letters to complete his story. Well done Mack!

Our Super Spellers this week are George, Bella, Tilly and Connor. As the year unfolds the spelling lists become challenging which means we need to be resilient when it comes to completing our tests in order to achieve our goals. Keep up the great work everyone!

A reminder to all parent’s that the next P&C meeting will be in 2 week’s time. There are some very important agenda items to be discussed including the new school report format. The meeting will once again coincide with the whole school end of term assembly.

Have a great week everyone.

Brad

The Mystery

I woke up to the sound of explosions. I looked out my window to see
the bottom of the pylon explode along with a few other buildings.
I looked at the skies but there were no planes. I stared at the harbour. I
saw a line of bubbles.
By then the Sydney Harbour Bridge sank into the harbour. I was
confused. I saw 6 battleships and 3 destroyers. I saw a battle ship
explode. One of the crew men yelled “It’s a u-boat.” I watched the
battleship crew men drop. Something in the water. Bang, Bang. The u-
boat has exploded. I felt nervous.
