Red Nose Day
Dear Parents,

Welcome back everyone! I hope the holidays were safe, fun and relaxing. We have a very busy term already planned, starting off with the athletics carnival next Monday, to be held in Gundagai. K-Year 2 students will attend Gundagai South Public School for the day. Our ski trip to Mount Selwyn will take place in week 7, further details to follow.

Week 3 is education week and to celebrate this occasion we will be holding an open day on Thursday 30th July for parents to come in and enjoy some of the learning that has taken place so far this year. This will be followed by a pyjama afternoon for the students and a movie with Puggles. More information will be sent out in the near future.

This term the school has made some changes to the literacy program across all stages. The students will undertake a Focus On Reading strategy that provides students an opportunity to further develop efficient comprehension skills. Students in 3/4 will read ‘The Twits’ while 5/6 will read ‘Danny the Champion of the World’. Students in K-2 will continue to read their allocated texts whilst incorporating the Focus on Reading Strategy.

Our theme for HSIE and Science is Antarctica. Students will discover different aspects of the Antarctic environment including animals, climate, human interaction and the effects of global warming.

Home learning is once again a high priority this term. Students are to complete reading, spelling and timestables for the week and to be handed in each Friday.

I am looking forward to the exciting term ahead and cannot wait to see what great achievements we can accomplish yet again over the next 10 weeks!

Brad
