Bongongo’s Athletics Carnival participants
Dear Parents,

This week I begin with recognising the efforts of Alby Schultz, the late member for Hume, who recently passed away. After speaking with a local community member over the weekend it was brought to my attention the vital contribution Alby made in his role as member for Hume during the construction of the Adjungbilly community hall. After the initial basic construction of the walls and roof by several dedicated local community members, Alby questioned what else the hall needed to be completed and how this hall would be funded. After hearing of the amazing input of local volunteers he immediately put forward that not another penny was to be spent and that he would find a way to fund the project. The following morning a cheque was written out by Alby Schultz from state government funding that would see the completion of the hall. Today I acknowledge the efforts of all those who have helped create Bongongo Public School for you have supported a child’s future and helped create unforgettable lifelong memories. Today the Australian flag will be flown at half-mast in recognition of the life of Alby Schultz and his contribution to Bongongo Public School.

Our student of the week this week goes to Ki Lucas. Ki receives her award this week for demonstrating maturity and working collaboratively with her peers. Keep up the great work Ki!

Yesterday I was amazed once again by the efforts of our students at the small schools athletics carnival. Not only were the achievements of all our competitors great to watch, the sportsmanship demonstrated throughout the day was something that all parents should be proud of. Congratulations to all our award winners and good luck to those attending the Highlands Carnival next week in Tumut.

This Friday we will be cooking paella with Mrs Keatinge. $2.00 per student

Brad
COMING EVENTS
24 July   National Tree Day
30 July   Pyjama Party
          P&C Meeting
