Working hard on our HSIE unit on Antarctica
Dear Parents,

Welcome to week 3 everyone! This week we are celebrating education week. The theme this year is ‘celebrating local heroes’. When I think about this theme an extensive number of people immediately spring to mind. Examples of local heroes include Family, ANZAC, Emergency services and Sporting. They are people who make us feel proud and encourage us to strive for excellence and provide us with incentive to do our best.

In light of the local hero theme I would like to acknowledge the heroes of Bongongo Public School. These heroes include parents of both past and present students, volunteers, ground staff, cleaners, teachers, teacher aides and P&C. The contribution that has been made during the history of this great school allows for future citizens to be successful and make their dreams a reality.

To celebrate education week we will be holding an open day next Thursday for parents to come in and experience what our school has to offer. Students will teach the parents some of the concepts that they have learnt and pass on some in depth knowledge. We will also meet up with our friends from Puggles and enjoy an afternoon pyjama get together with a movie and a hot milo.

Congratulations to our super spellers this week Dakota, Jacee, George, Darcy, Bella, Tilly, Corey, Tilly Benjamin, Sam, Mack and Jack. Well done on getting 100% in your spelling tests!

Our student of the week this week goes to Taila Herrington. Taila receives her award this week for working hard during maths and spelling and being a great help in the kitchen during cooking. Keep up the great work Taila!
