Jetty, Jack and George at Mt Selwyn
Dear Parents,

Last week was our annual ski trip to Mt Selwyn. It was great to see all students demonstrating some amazing skiing skills as they flew down the slopes. Our night at Cabramurra Public School was fantastic as we watched a snow blizzard rage outside. Thank you to Karla Paget and Royce Benjamin for assisting us on our excursion and to Mrs Cherry and Cabramurra Public School for their hospitality.

Today we have 4 students representing our School at the Riverina Athletics Carnival in Albury. Darcy, Sam, Corey and Tilly B will compete in the P6 small schools relay. We wish them luck! Thank you to Royce Benjamin for providing travel for the day.

At the end of Week 6 I attended the Riverina Principals conference in Wagga. During the conference I was fortunate enough to listen to motivational speaker Michael Crossland. Michael is now a very successful businessman who has faced many challenges since the day he was born through a number of life threatening illnesses. His story is one of inspiration and courage in times of adversity as he overcame each challenge. If you have a spare moment, I urge everyone to have a look at an Australian Story documentary on the life of Michael Crossland or visit his website as it really puts into perspective the important things in life and challenges us to strive for excellence in everything that we do in our busy lives.

Due to the Athletics carnival today, this week’s student of the week will be published in next week’s newsletter.

Have a great week everyone!

Brad

Who is your idol and why? **Truck drivers like my dad.**

What do you want to be when you grow up? **A truck driver.**

Where is your favourite holiday destination? **The beach and the snow.**
On Monday the school went to Mt Selwyn. On the way I saw brumbies on the mountain. We stayed at Cabramurra school for the night. The next morning when we woke up there was lots of snow. Then we packed the car and drove to the snow. We got ready for skiing. I liked skiing. I went on the chair lift by myself. At the end of the day we drove home. I had fun.
