Welcome to our new students Taylah Graham and Ethan and Ella Bousfield
Dear Parents,

Welcome back to school everyone!

I hope everyone had a safe and relaxing break and after hearing many exciting stories from the holidays I think that our students are raring to go for yet another successful year. Thank you to all the families who volunteered their time over the break to take care of the chooks and vegetable garden.

This year we welcome Miss Laura Greaney who will be working with us for 3 days a week. Miss Greaney is a past student of Bongongo Public School, who has a passion for education and community.

We also welcome 3 new students to our school. Ethan Bousfield joins Year 1, Ella Bousfield will join Year 4 and Taylah Graham will also join Year 4. We look forward to watching our new additions grow and thrive throughout the year.

Mrs Lott will be on leave for the first three weeks of term and will return in week 4.

We will be going to Graham’s pool every Friday while the weather is warm for swimming lessons.

**Book covering**
This Friday, all students will be taking their workbooks home for covering. There will be 5 books in total. All books will need to be covered over the weekend and returned to school on Monday.

Home learning will begin this week. Students will be required to complete their spelling list words, times table of the week, reading journal and homelearning workbook.

I look forward to working in partnership with the school community to achieve the high expectations of Bongongo Public School.

Regards

Brad

Boys
Blue polo with crest
Grey shorts
Grey socks
Bongongo school hat
Black shoes

All uniforms are available at Swans

WE NEED YOUR HELP!!!!!
WORKING WITH CHILDREN CHECK

It is Department of Education policy that all adults are required to obtain a Working with Children Check as part of conducting safe places for children.
We require all volunteers to obtain this check before regularly working with students in our care (This includes transporting students to and from excursions/sporting events)
This does not cost anything but ensures your child is in a safe environment.
Visit the website – complete and submit the form and take this information to the RTA office. They will submit the application and send you the clearance number in the mail.
This number needs to be brought to the school office and entered on our system.
Again as a non-paid helper the clearance does not cost any money - just some time.

Our veggie garden is in full production.

MY holiday
In the holidays I went to My name
When we got there we unpacked our things. Then I went for a ski. Bad move the boat. The Lucas's came with us on our holiday.

Well done! ☺️
